SIP 'N PAINT

DT Carl Davis

On Oct. 16, the Baltimore Ravens hosted their third annual Sip 'N Paint event at M&T Bank Stadium. Women who are currently battling or have overcome breast cancer were invited to enjoy an evening of laughter and relaxation at M&T Bank Stadium. The evening featured a happy hour with appetizers and wine, a photo booth, raffle drawings and a Ravens-themed instructional painting session. Throughout the night, over 200 women were joined by some of their favorite Ravens players, including DT Carl Davis, DT Willie Henry, G/C Ryan Jensen and OLB Tyus Bowser.

HOMETOWN HUDDLE

The sixth annual Ravens Team Challenge was held at the UA House at Fayette in downtown Baltimore on Oct. 16. The event was part of the 2017 NFL and United Way Hometown Huddle, a league-wide initiative promoting service to community and increased youth physical activity. Approximately 100 students from Maree G. Farring Elementary School participated in activities such as kickball, dodgeball, ultimate football and a series of relays. Playworks Maryland, Ravens players, cheerleaders, mascot Poe and 100 volunteers (from the Ravens, United Way, M&T Bank and Under Armour) helped facilitate the event as coaches and teammates.
