How to Post Tickets for Sale via Ravens Account Manager

Select the seats that you'd like to sell, then click "Continue."

Click into the box that says "Set your earning price," and enter the amount you'd like to receive. The listed price, including applicable fees, will be displayed. You will also see a notice for what similar tickets are selling for. Then click "Continue."

How to Post Tickets for Sale via Ravens Account Manager

Select how you would like to be paid from the drop-down menu: account credit or direct deposit. If you have not sold tickets before or need to update your seller profile, click "Update." Then click "Continue."

The screenshot shows a purple header bar with a back arrow on the left, the text "SELL TICKETS" in the center, and a close "X" icon on the right. Below the header is a form with a dropdown menu labeled "Account Type *" circled in red. Underneath the dropdown is the text "Select how would you like to get paid." Below that is a section titled "Seller Profile" with the text "Please complete your seller profile details to continue." and an "UPDATE" button. At the bottom of the form is a light blue button labeled "CONTINUE" circled in red.

You'll see a summary of your listing, including the listing price and your payout. Click "Confirm" to list your tickets for sale. You will receive an email notification if the tickets are sold.

The screenshot shows a purple header bar with a back arrow on the left, the text "SELL TICKETS" in the center, and a close "X" icon on the right. Below the header is a section titled "Ravens vs. Redskins" with a "Section | Row | Seat" filter. Below that is a circular refresh icon. Underneath is the text "1 Ticket @ \$73.00 Each" and "* You'll earn \$65 per ticket." At the bottom of the form is a blue button labeled "CONFIRM" circled in red.
